### **Chill of Summer Blue**

A Collection of Poetry

Frost of Spring Green Poetry Series-Book 2

*Chill of Summer Blue* is the second book of poetry in the Frost of Spring Green Series, a creative collection of four books that is as captivating as its title. The enriching poetry reminds us how vital our link with nature and the environment is in our day to day life. It raises awareness for issues often ignored and brings a fresh outlook to the quest for dignity and justice in contemporary society. Once again, the author's twin hearts are on display throughout her writing: awe over the beauty of nature and questioning social injustice. *Chill of Summer Blue* is enjoyable for any age and makes the perfect gift for friends or family.
